JOB POSTING

Position Title: Stone Fabricator
Department: Fabrication
Reports To: Stone Fabrication Manager
Employment Status: Non-Exempt
Regular Hours Worked: Full-Time; 40 Hours/Week

Company Overview

Hedberg Home Brick + Stone is Minnesota's premier supplier of masonry building veneers, custom cut-stone, and pre-fabricated cast stone products. Founded in 1987, the company has a long tradition of excellence supplying the landscape and building industries. With the sale of its landscape division in late 2020, the Hedberg Home team is thrilled to be jumping all-in with the masonry side of the business. By applying new lessons learned and focusing the company's full efforts on introducing brick and stone masonry solutions to the home and business, Hedberg Home Brick + Stone is poised to continue its decades-long rise.

We are proud of our past and look forward to learning how your vision can help shape our future.

Position Summary

Hedberg Home Brick + Stone is searching for Stone Fabricator(s). We are looking for a self-motivated individual who possesses an attention to detail, strong mathematical skills and takes pride in delivering the best finished product to our customers. Stone fabricating experience is preferred but fabrication or machine work in other mediums is acceptable.

Duties include but are not limited to:

- Finishing work – rock facing, sanding, polishing
- Stone cutting – saw set up, cutting stone to dimensions
- Material handling – stone loading and unloading for customers, moving stone, palletizing finished orders
- Quality control – review written and completed orders for accuracy
- Shop and yard maintenance – perform routine equipment maintenance, ensure equipment safety, keep shop and yard clean

Qualifications: 2 years of stone fabrication and use of wet saws, Cad experience a plus; experience in warehouse and/or fabrication; ability to work in a fast-paced environment and to multi-task while working safely; use of forklifts (we will train and certify).

Work environment: This position works in both indoor and outdoor environments including very hot and very cold temperatures and requires the ability to lift/move 75 pounds on a regular basis. Hedberg Home Brick + Stone provides safety equipment including steel toe boots, safety glasses, vests, and hearing protection. A pre-employment physical will be required.
